BUDGET VOTE

- Tues., May 16, 2023
- 12 p.m. to 8 p.m.
- Cazenovia Middle School Auxiliary Gymnasium

Cazenovia Central School District Resident,

The Cazenovia Central School District is proud to put forth the proposed 2023-2024 budget for voter approval along with the bus purchase proposition and election of two Board of Education members on Tuesday, May 16.

The \$36,529,529 budget proposal, which was unanimously approved by the Board of Education, maintains existing student programming and allows for continued innovation of pre-K-12 curricula and technology infrastructure improvements. The technology upgrades will help maintain internet reliability and safety and enable the district to remain vigilant against vulnerability to cyber threats. In addition, the proposed budget allows for seamless implementation of the district strategic plan.

The current year-to-year budget increase is 6.28%. The district continues its commitment to strategic and responsible long-term fiscal planning by utilizing a combination of a tax levy increase of 6.99% and appropriated fund balance of \$1.1 million to help reduce the overall impact to taxpayers. The district continues to operate with one of the lowest tax rates in the region while maintaining high performance in academics, music, the arts and athletics. Additional cost-saving measures that make this proposed budget possible include energy performance contracts, cooperative purchasing through BOCES, collaborative shared services, along with continual assessment and realignment of resources.

Most importantly, the budget supports maintaining and reinforcing equity in our current programming for students, including mental health supports, robust fine arts and music programs, dynamic athletic programs, an array of extra-curricular offerings, and overall district safety. Cazenovia CSD is a highly rated district that provides students with every opportunity to graduate with the necessary skills to move on to college or a career and develop to become successful learners, leaders, and community contributors.

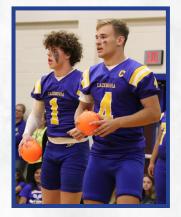

Sincerely,

Christopher DiFulvio Superintendent of Schools

JoAnne Race Board of Education President

\$100k Capital Outlay Project

As in years past, the 2023-24 budget includes \$100,000 for a capital project to be completed during the upcoming school year. This type of project is eligible for State Building Aid (currently 73.3%), which is reimbursed to the District in the school year following completion. By performing these projects each year, the District is able to address facility needs between major capital construction projects. This year we are proposing to continue making improvements to the interior/ exterior security camera system at the high school. We will be adding/replacing several security cameras to improve the safety and security of our campus.
