

Dear Parent/Guardian:

The district's School Health Services program supports your student's academic success by promoting health in the school setting. One way that we provide care for your student is by performing the health screenings as mandated by the State of New York.

During this school year, the following screenings will be required or completed at school:

Vision

Distance and near acuity for all newly entering students and students in Pre-K or Kindergarten, Grades 1, 2, 3, 5, 7 and 11.

Color perception screening for all newly entering students.

Hearing

Hearing screening for all newly entering students and students in Pre-K or Kindergarten, Grades 1, 3, 5, 7 and 11.

Scoliosis

Scoliosis (spinal curvature) screening for all females in Grades 5-9 and males in Grade 9.

You will be notified of any abnormal finding in writing.
