Dear _____,

We urge your attention to the critical funding needs of Cazenovia Central Schools. As a vital pillar in our community's educational infrastructure, these funds are essential for maintaining the quality of education our students deserve. We are requesting the reinstatement of \$614,000 in funding, with a modest 3% increase, to ensure that our schools can continue to provide top-tier education and opportunities for our students. Your support in restoring these funds would not only benefit our current students but also contribute to the future success and prosperity of our community. Thank you for your consideration and support in this matter.

Sincerely,

[Your Name]
